For Summer and Fall

A **summer** newsletter will go out later this month with all the details about our fun summer session. Students starting school in the summer will receive a packet of forms via e-mail to complete and turn in before the first day of the summer session. We also need a current shot record, a copy of your child's birth certificate (if we don't already have one) and a vision/hearing screening for four year olds.

If your child is registered for the **fall**, you also will receive a new registration packet via e-mail this month. (Yes, we need new forms for returning students.) Please completely fill out the forms and get them back to me by the classroom visit day in August. (Extra forms will be available in the lobby.)

HAPPY BIRTHDAY!
