## Valentine's Dance Friday, February 7

You are invited to our annual Preschool Valentine's Dance on **Friday, February 7, from 6:00-7:30 pm** in the Fellowship Hall! Come dance, enjoy refreshments, and take pictures in the photo booth. Dress up or down—whatever the kids want to wear! This always a fun and cute event for the whole family!

We need volunteers to help set up Friday morning, take photos in the photo booth, and bring refreshments for the event. Sign up here:

## Summer and Fall Registration

Summer and fall registration is currently taking place—from Friday, February 7 through Monday, February 14. I will start filling open spots from the waiting list

on Monday, February 17. Check your email for a letter and all the information on forms, fees, and tuition. You can also pick up a form in the lobby. Registration fees must

be turned in with your form to complete your child's registration. Remember to check the box if you also want Stay & Play!

### Toilet Training Workshop for Parents

We are hosting a workshop for parents on **Tuesday, March 3, from 6:00-7:30pm**, in the Fellowship Hall. Jerri Thompson will lead the workshop. You can find more info about her here - <http://www.ecetoday.com/index.html>. All children in the 3-year-old class need to be toilet trained since there is not a toilet or sink in that room. We hope this workshop can help support you and your child in this process. Look for more information in the coming weeks.

## Chapel: Sock Drive for the Homeless

During the last couple of weeks, we have been talking about the cold weather and how to dress to stay warm. The children helped Ms. Andrea put on warm things—hat, scarf, gloves, jacket, socks, and boots. We focused on cold feet and socks last week, and I will introduce our Sock Drive on Monday, February 3. For 2 weeks, I will have a box out in the lobby to collect NEW socks for the homeless. A representative of Socks for the Sole will come and pick up the socks after Valentine's Day to distribute to homeless people in Austin. They will also talk briefly to the children about what they do.

So, pick up a package of NEW socks and let your child add it to our collection. Adult socks are most desired, especially men's socks.

## Valentine's Day Activities

Each class will be doing their own celebration for Valentine's Day with an emphasis on kindness.

Your child's teacher will be in touch about the plans and give you class lists for making Valentine cards.

### A Visit From the Dentist's Office

On **February 26**, two representatives from Poplin Dentistry will come and talk with the children about the importance of brushing, flossing, and healthy eating.
