## Parent Meetings and Garage Sale!

Come to the **Parent Committee Meetings on Monday and Tuesday, March 2 & 3 at 9:15 am.** Jessica and Tara will talk about our last big fundraiser on **April 4: the Preschool Garage Sale!**

We need everyone to help with the Garage Sale . Here are some ways to do it:

- Update signs
- Put up and take down signs
- Make publicity contacts
- Price items
- Set up/Clean up
- Sell items online the week before
- Spanish speakers especially needed during the sale
- Work a shift during the garage sale

And, of course, everyone needs to help by **donating** to the Garage Sale! Spring Break is a good time to gather unused items at your house. We will accept garage sale items at the preschool from Monday, March 30 through Friday, April 3.

### Birthdays in March

## Toileting Workshop, March 3

Mark your calendars for March 3! We have scheduled a **Toileting Workshop** for parents from **6:00-7:30 pm** here at CUMP. Jerri Thompson, from ECE Training, will lead the workshop.

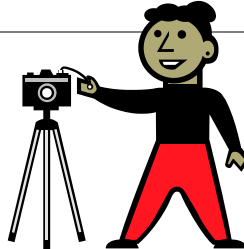

**RSVP** to Andrea (preschool@crestviewmethodist.org). Please let her know the number of adults attending and the number of children attending. We will provide child-care during the workshop.

We highly encourage parents of toddlers and 2 year-olds who are not yet toilet trained to attend.

## School and Class Photos on March 24

512 Portrait Company will take individual class photos and a school-wide photo on Tuesday, March 24. We will begin the class photos at 9:30 am.

**Have your child wear our blue CUMP shirt!**

If Tuesday is not usually your child's school day, you can come and stay with your child in room 10. Please arrive between 9:15-9:30 am. Ms. Andrea will take your child to their class and then bring them back when we are finished.
