## Valentine's Day Dance During School

Since we cannot have a school-wide Valentine's Dance this year, we will have dances for every class during the school day. We will decorate the dance room and boogie down! The 4s class will have a dance on Feb. 10 and the Monkeys and Raccoons will dance on Feb. 11 (TTH) and Feb. 12 (MWF).

We would love to have some party/disco lights, so contact Ms. Andrea if you have some to share. We would also love any donations of Valentine decorations. Please no balloons—we can't have them during the school day.
