Parent Committee Information

The Parent Committee is made up of our parents! There are no dues and no attendance requirements and the meetings are less than 30 minutes long! The committee meets periodically to coordinate events, such as the Garage Sale and Bike Bash. They determine what the funding needs of the Preschool are, over and above what tuition pays for, and how to raise funds to meet those needs. Our parent representatives chair the meeting and they are always looking for folks to help with events. Emily Hathaway (James and Ben's mom) and Meredith Meagher (Luke's mom) are the current parents reps for this school year. Meetings will most likely take place on Zoom. Look out for emails from Emily and Meredith. They are currently planning a Phil's and Amy's fundraiser, the Bike Bash, and the garage sale on Oct. 23.
